[Despatch Abstract.]

Famine - Relief, Multivitamin tablets - Disposal Orders passed.

GOVERNMENT OF MADRAS.

Abstract.

Famine relief - Multivitamin tablets - Disposal - Orders passed.

Education and Public Health Department.

G.O.Ms.No.564 Dated 24-2-48

Read the following:

G.O.No.3192 Public Health dated 22-9-47.

O R D E R:

The attention of the surgeon General is invited to the orders in para 1 of the G.O.cited above and he is informed that, if the stocks of multivitamin tablets are in a satisfactory condition and are not likely to deteriorate by further storage, the tablets should be retained in stock for sometime longer. He should then consider the question whether the supplies sent already to the deficit districts have been wholly or mostly distributed and whether the authorities in charge of distribution in deficit areas would require further supplies from the reserve stock now available with the D.A.D.G and take suitable action in the matter .

2. If on the other hand the tablets are likely to deteriorate, he should arrange to distribute them at once in

P.T.O.

consultation with the Director of Public Health in the districts where scarcity of foodgrains is felt, particularly in the districts of Tinnevelly and Ramnad, where conditions are considered to be worse than elsewhere.
